

## Year 3 and 4 Autumn Term Homework

### Dig Deep

Please choose six activities to do over this term (3 each half term) try to choose at least one from each section. These are linked to our Dig Deep topic. For each piece of homework completed, you will receive a reward! There will be additional homework set from time to time for other core subjects.

You are also expected to learn your times tables, phonics and spellings on a weekly basis and read at least three times a week at home with an adult. **Please could parents ensure they have signed/ commented in your reading record book each time.**

I enjoy words	Write a recipe using Stone Age ingredients. Have a go at making it and take a picture of your final dish.	Create a flow-chart of how fossils are formed.	Create a set of Top trumps cards (5) For either Dinosaurs, Stone Age animals or Earthquakes & Volcanos	Research Stonehenge or Skara Brae Present your findings as a poster or powerpoint
I enjoy numbers	Use some stones to design a way to explain (Thousands) Hundreds, Tens and units to another child.	Stone Age people used tally marks when they were counting. Can you use this method to count how many toys or books you have? Can you create your own counting system? What groups would you use?	Create a Venn Diagram of: Modern Tools Stone Age tools And Tools that were created in the Stone age which we still use today.	Write your own maths word problem which uses the Stone Age as a topic. You could concentrate on addition, subtraction, multiplication or division or use a mixture of each.
I enjoy Art	Create a picture using natural materials. You could use ideas from	Stone Age people could only colour their fabric by using natural dyes.	Create a cartoon strip in "cave art" style to show what life was like in the	Create a piece of fossil artwork. You can use any type of

	Andy Goldsworthy for your design.	Try doing this yourself with natural resources like berries. (Check with an adult first).	Stone Age.	media: Drawing, printmaking, clay, junk modelling
I enjoy doing things	Design and make a replica of Stonehenge	Make a short film to show what happens during an earthquake OR when a volcano erupts.	Find out how to make compost. Create your own wormery.	Make a 3d model of a Stone Age dwelling or a shoe-box Stone Age scene.

Please make sure you record your homework achievements in your homework book either by taking photographs or by completing the table below. Photos/films can be emailed to us at [Kate.Ross@ChurchPreenSchool.co.uk](mailto:Kate.Ross@ChurchPreenSchool.co.uk) . Enjoy!
