Tuesday 12th October Phonics

Find the long i vowel sound as in I, mind, fine, pie, try.

Tike liked to ride his bike. He had an invite from his friend Mike who asked him if he minded going to the park to go on an adventure.

Tike loved to go out on dry, fine days and look at the sky and ride high up the hills. He also liked to collect pine cones and wild items from nature.

They headed off for the ride and enjoyed spying all the beautiful things that reminded them of autumn. When they got home Mum had made a pear pie!
