

September 2021

A big welcome from everybody in Class 3 and how lovely to have many things back to normal. This year we are a mix of years 4, 5 and 6.

It's a delight to welcome Ms Tegan Pinches and Mr Luke Barrow as our teaching assistants, and to have Mrs Tessa Pinches assisting with interventions one afternoon a week.

Tegan is proving to be a fantastic sports coach and we can't wait to show off our skills at some up and coming events. Luke is continuing with ukulele lessons and we hope we can share some cool tunes with you soon.

I will be teaching from Monday through to Thursday afternoon, when Mrs Fenton will take over until the end of the week.

We are very excited about our lovely colourful new tables; a much-needed upgrade and offering us great flexibility in being able to move groups around through the teaching day. The students were involved in trialling and selecting the tables last term and I'm sure you'll agree, they look great!

The students have settled in very well and we are off to a flying start.

Mrs Marie Thomas
